To whom it may concern,
It's my absolute pleasure to recommend Brent Donner for laser consultation and or DLC for your laser cutting services.

Brent and I have had a fantastic business relationship for the past 10-11 years, I thoroughly enjoy my time working with Brent, and came to know him as a true asset to our company, He is honest, dependable, and incredibly hard-working, beyond that, he has an energetic and can-do attitude with a personality who always tells it how it is.

Brent's knowledge and expertise of laser cutting has been a huge advantage to our entire laser cutting shop. Brent puts this skillset to work to put together the best laser cutting parameters and for cut quality and speed with keeping the laser in the best shape possible.

Along with his undeniable talent, Brent has always been an absolute joy to work with. He is a true team player and wants what's best for everyone involved, and always manages to foster positive discussions and bring the best out of other employees.

Without a doubt, I confidently recommend Brent and or DLC to join your team. As a dedicated and knowledgeable Consultant and an all-around great person, I know that Brent will be a beneficial addition to your organization.

Please feel free to contact me at Bobcat at 520 poly Dome Drive, Litchfield MN 55355 320-293-5907. Should you like to discuss Brent's qualifications and experience further I'd be happy to expand on my recommendation.
